Please be advised that the Bedford Township Municipal Authority (BTMA) has enacted a rate increase to the current regular sewer rate of \$20.96 to \$21.54 that will become effective the First Quarter of 2021. This increase is due to a \$.55/1000gal rate increase for wastewater treatment that BTMA received from the Municipal Authority of the Borough of Bedford (MABB) effective 1/1/21. A 3% discount will be given to those paying on or before the due date, making the discount rate \$20.90.
